Stipulated Rescheduling of Discovery and Testimony Periods

Under 37 CFR § 2.121(d), the parties stipulate that the discovery and testimony periods be rescheduled as set forth on the Attachment hereto (which extend each period by 45 days). The parties are actively involved in discovery and have either responded to written discovery or made specific commitments to respond in the future. The parties have also recently stipulated to a protective order (filed September 7, 2004) and anticipate producing documents under that order. The purpose of this stipulation is to allow the parties and their counsel to adequately prepare for trial, and not to delay this proceeding.

Respectfully submitted,
